RESIDENTIAL STATEMENT TOOL

How can producing Residential Statements be made easier?
How can they be produced in a variety of formats using less resources?

By using the residential statement tool

- ❖ The tool is an initiative of the Disability Services Division of the Department of Human Services
- ❖ It is a resource tool for producing residential statements at the touch of a button, including:
 - Standard;
 - Facility-based respite;
 - Easy read; and
 - Community languages

Other features include:

- Single data entry point for residents
- The ability to load generic data across statements
- Central data back-up preventing loss of information
- User accessibility dictated by organisational permissions
- Provides organisations with the ability to generate tailored reports

RosterCoster has been engaged by DHS to distribute the tool '*free of charge*' to Community Service Organisations

To learn more about the tool, and what it can do for your organisation, you are invited to attend one of the upcoming information sessions - details attached

For more information and to register for a session please email Christine Tiernan at christine.tiernan@dhs.vic.gov.au
