The Disability Act 2006

How is it all going???

This get together is an opportunity to discuss what is working and what is not working so well yet regarding the implementation of the

Disability Act 2006

We are very pleased to be offered this chance to comment directly to the people conducting the region wide evaluation

The main topics are:

- Information provision
 - Service access
- Planning for Individuals
 - Complaints
- Restraint and Seclusion
- Residential Services
