SUPPORT NEEDED FOR RESPITE BACKYARD

4 JOHNS STREET, MILDURA

Currently, SRS owns and operates the **ONLY** disability specific respite facility in the Sunraysia region. Built in 2002, SRS has ensured that people living in rural and remote areas have access to these services and are not disadvantaged by location.

Whilst the interior of the property is beautiful, the outdoor area remains barren, unsightly vacant ground. Our project will turn the ground into a play area for children and an arts/craft area.
